25X1A SUBJECT: [REDACTED] 25X1A

REFERENCE: a. Memo of 13 November 1947 from [REDACTED] to [REDACTED] requesting that letter be written to Mr. [REDACTED] Confirming Cancellation of Plans for his Overseas Assignment 25X1A

1. In reply to Reference a. on 5 December 1947, Mr. Mundy notified me that the Department did not wish to write the letter as requested in Reference a. but said it would write a letter to the Court setting forth the appropriate facts if we would give them the exact information about how such a letter should be addressed. Will you please ask Mr. [REDACTED] to furnish that information to me so that I can get it to the Department. I very much regret, and am unable to explain, this delay in handling this matter but will try to follow through and see that the proper letter is written immediately.
